HOW DOES OUR NATION CONFRONT PRISON RAPE:

THE MEDICAL, EMOTIONAL AND MENTAL HEALTH

QUESTIONS

COMMISSIONER FELLNER: In your view as an expert as an independent, saying that CDC has no official position, so speaking as an individual who is an informed expert, what would you say would be a wise course of action if you could recommend it?

DR. POTTER: I think we would go with the basic A-B-C approach right now; abstinence, behavioral change, and probably targeted comment. But I don't think we have an official position.

COMMISSIONER FELLNER: Thank you.
