

HOW DOES OUR NATION CONFRONT PRISON RAPE:

THE MORAL AND ETHICAL QUESTIONS

THE CHAIRMAN: Thank you very much. I think your testimony was very insightful and thought provoking. I think it will gender some discussions among the commissioners that will be helpful as we proceed with our mission, so thank you.

COMMISSIONER FELLNER: And I wanted to add my voice to -- Laura is leaving. I wish that it was in the power of the commission to have our first official act be the issue of standard that you can't go, but apparently that's not within our powers, so we wish you well and thank you for your leadership on this issue.

MS. STEMPLE: Well, thank you. And I'll be at UCLA teaching Human Rights, so I hope to stay very involved in the issue.
